Our Solution(s)   Run Code

Solution 1   **Solution 2**   **Solution 3**   **Solution 4**

```go
1  // Copyright © 2020 AlgoExpert, LLC. All rights reserved.
2
3  package main
4
5  // O(n) time | O(n) space
6  func IsPalindrome(str string) bool {
7    result := []byte{}
8    for i := len(str) - 1; i >= 0; i-- {
9      result = append(result, str[i])
10   }
11   return str == string(result)
12 }
13
```

Your Solutions   Run Code

Solution 1   **Solution 2**   **Solution 3**

```go
1  package main
2
3  func IsPalindrome(str string) bool {
4    // Write your code here.
5    return false
6  }
7
```

Our Tests

Custom Output   Submit Code

Run or submit code when you're ready.
